Mascot: Our new school mascot is Culby the Tiger.

Character Education Program:

We are excited to share Culbertson's new Character Education program, "Culbertson TIGERS... Where We Earn Our Stripes". Our vision advances your child's educational needs and goals, promotes positive values, and focuses on the development of the whole child.

Using the Marple Newtown district motto and our unified tiger mascot, we have designed our 2016-2017 character traits to incorporate the tiger theme as follows: **Trust, Integrity, Gratitude, Empathy, Respect and Self-Esteem**. Our new Character Education program, will collaborate with Student Council to empower our children. We look forward to working together for an amazing year.

Sincerely,

The Culbertson Faculty and Staff
